

Home Inspiration Guide

THE FUTURE IS ON®

LEVITON®

Home is your sanctuary

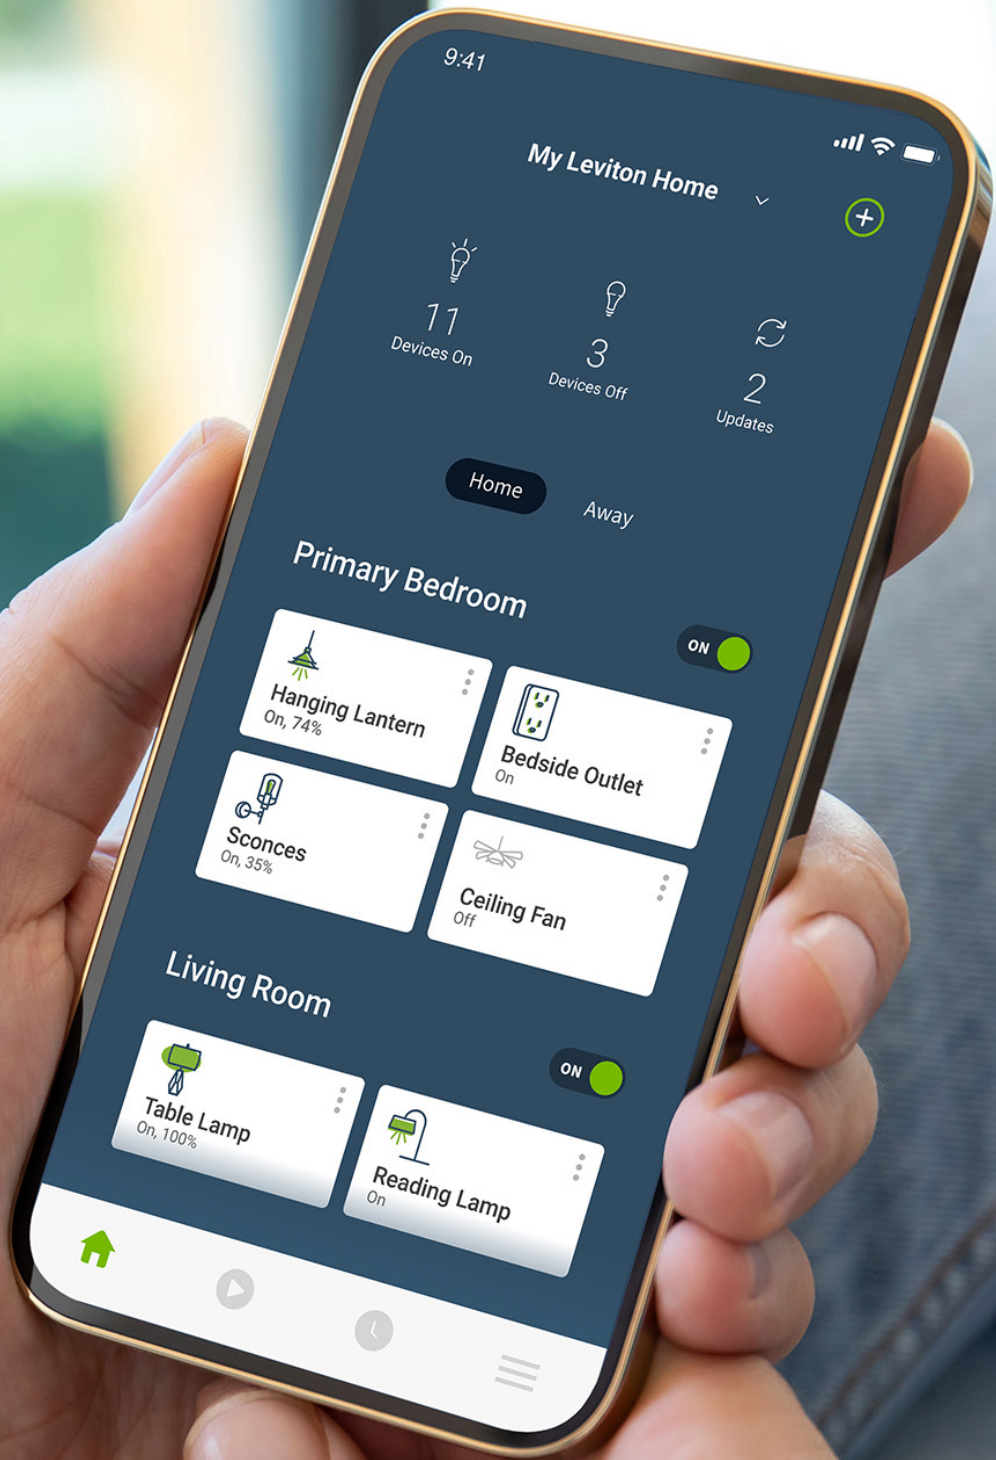

Your home is much more than a place to live. It is an expression of who you are and the type of life you lead... a reflection of your personality and style. It is a place where you seek refuge; share special moments with family and friends; study, work, and play.

For over 115 years, Leviton has been the leading innovator and provider of residential electrical products. Quality, reliability and dedication to delivering the latest in electrical safety technology has made Leviton a household name.

We invite you to browse through our offerings to discover ways you can enhance your living environment. Whether it be to make it safer, smarter or more convenient, we have the solutions that transform a house into a home.

With a full suite of products ranging from traditional and our signature Decora® line to the latest in Smart functionality, Leviton makes it easy to keep up with the latest technology while staying true to your unique sense of style. Feel free to mix and match devices and color options. The possibilities are endless!

Take Control of Your Smart Home with the My Leviton App

Single App Control with My Leviton

Creating a smart home is easy with Leviton. Simply use the My Leviton app to manage and control the Leviton Load Center with Smart Circuit Breakers and all your Decora Smart® lighting control devices such as dimmers, switches, plug-ins, and motion sensor. The My Leviton app also provides connectivity to My Leviton integration partners including leading voice assistants.

Own an older home?

It can still be a smart home with no-neutral devices. Visit leviton.com/decorasmart for more information

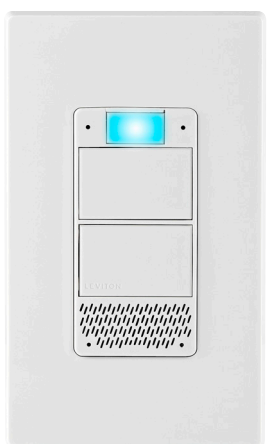

KITCHEN

The heart and soul of the home

Whether you have a spacious eat-in kitchen or a small efficiency kitchen, it serves as a place for so much more than simply preparing food. It's a gathering place, a makeshift workplace and, of course, where meals are shared.

A well-equipped kitchen is ready for any task, especially when outfitted with devices that add safety, convenience, comfort and ambiance to daily living.

**Smart
Voice Dimmer**

Ask Alexa for a recipe or to play music while you cook

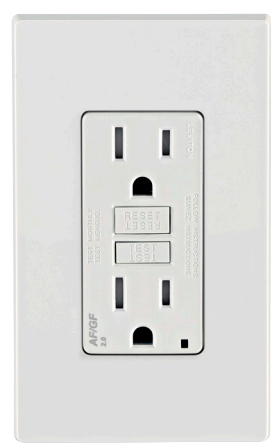

GFCI/USB Outlet

Create a convenient charging area with the benefit of protection from electric shock

**Antimicrobial Treated
Slide Dimmer**

Help keep your kitchen clean and fresh

AFCI/GFCI Outlet

Help protect your family from electrical fires and electrical shock

FAMILY ROOM

Comfort and convenience

Personal style shines in the family room. From large open great rooms to cozy, smaller spaces, the value of great lighting should not be overlooked. Lighting sets the tone for family movie night, festive Holiday parties and lazy afternoons reading or gaming. Explore the possibilities to find the perfect match for your lifestyle.

Smart Switch

Turn lights on/off via app or schedule lights to turn on/off automatically

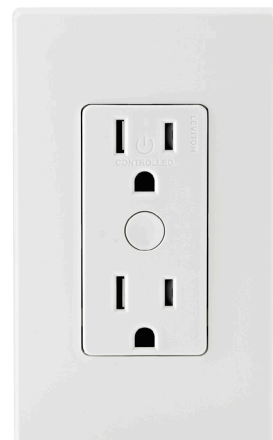

Smart Fan Speed Controller

Control ceiling fan by smartphone or tablet – great for cathedral ceilings

Smart Anywhere Switch Companion

Add an additional switch to control the lights, fan or a lamp – no wiring required. (Must be used with primary Smart device)

Smart Tamper-Resistant Outlet

Control by voice or app, great for lamps and holiday lights

BATHROOM

A comfortable, more efficient bathroom

Sprucing up the bathroom is easy. Soft lighting and automated ventilation can add a dash of style, a hint of freshness and improve overall safety and efficiency.

Smart Motion Sensing Dimmer

Use app for easy set up, including guide light or dimmed lights for nighttime hours

Antimicrobial Treated Switch

Helps keep the surface clean when you switch on the light

Humidity Sensor Fan Control

Automatically turns on and off the ventilation fan for maximum comfort and convenience

GFCI w/Guide Light

Help protect your family from shock and enjoy built-in night light

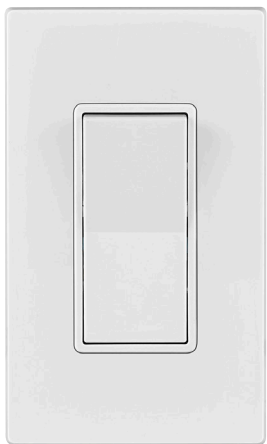

DINING ROOM

A place for gathering

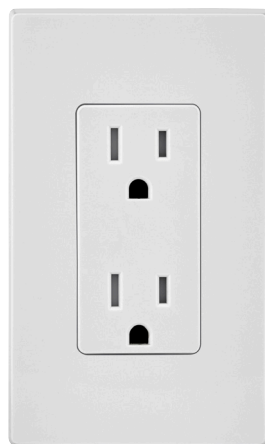

No matter the size or style, families and friends gather in the dining room to enjoy everyday meals and special occasions. The right lighting can set the mood, turning the ordinary into the extraordinary.

Decora® Switch
Upgrade switches with an elegant rocker style

Smart Dimmer
Dim the lights to help set the mood

Decora® Outlet
Update outlets with a clean modern look

LED Slide Dimmer
Create ambiance for the perfect dining experience

BEDROOM

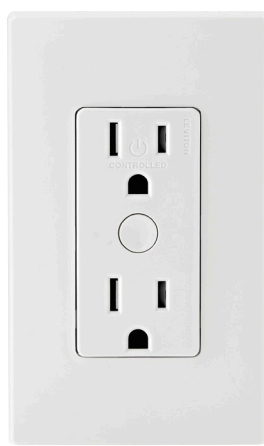

Create a serene retreat

Ideally, the bedroom is where you leave stress at the door and enjoy a peaceful, relaxing environment for restful sleep. Imagine effortlessly adjusting the light for reading a book or watching a movie, all with the security of knowing the lights throughout your home will turn off automatically as you doze off.

Smart Fan Speed Controller

Adjust ceiling fans via voice, schedule, or app

Smart Tamper-Resistant Outlet

Don't get up! Control lamps/TV by voice or app

Smart Scene Controller Switch

Control all the lighting in your master suite, or your entire home, from one location

USB Outlet

Charge your electronics bedside so your devices are always in reach

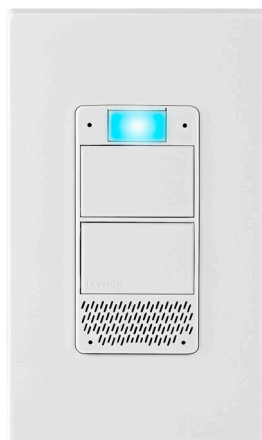

HOME OFFICE

The technology epicenter

These days working from home is more commonplace, requiring a dedicated space with all the amenities of a traditional office (the couch and coffee table just don't cut it anymore!). Tech-up your space with all the latest devices for a powerful, yet peaceful, working environment.

USB Type-C® Outlet
Fast, powerful charging keeps you connected

Smart Voice Dimmer
Ask Alexa for the latest stock quotes, business news and more!

Smart Fan Speed Controller
Keep working; control the ceiling fan by smartphone or tablet

Smart Plug-in Outlet
Simplify lighting and electronics. You have enough work to do

CHILD'S BEDROOM

Room to grow

Keeping children safe around electricity is a top priority as is creating a space that can grow with your child. Leviton products are designed with safety and convenience in mind, helping to ensure a carefree environment for your child and delivering peace of mind for you.

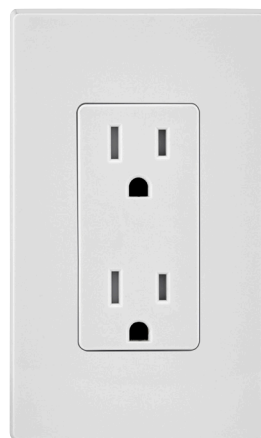

LED Illuminated Switch

Lights out for bedtime! A soft glow remains for safety and security

USB Outlet

The convenient way for kids to keep their phones and gaming devices charged and connected!

Tamper-Resistant Outlet

Built-in protection to help keep your child safe

Smart Plug-in Dimmer

App controlled dimming and timing of lights

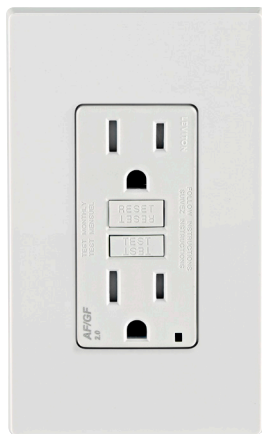

LAUNDRY ROOM

Functionality and convenience

Whether you have a fully equipped laundry room or a small efficient one, it's important to have electrical aids to help keep the space, and you, safe. Hands-free options mean never having to reach for a light switch when carrying a heavy load; and protection against electrical fires and shock is vital for this area of the home.

Smart Motion Sensing Dimmer
Hands-free smart lighting with auto-shutoff timer included

AFCI/GFCI Outlet
Help protect your family from electrical fires and electrical shock

LED Downlight with Motion Sensor
Convenience and energy savings with a contemporary design

GARAGE

More than a place to park your car

What's in your garage? Is it a storage space for indoor and outdoor supplies – and even appliances – that simply don't seem to fit anywhere else? Is it a workshop for automotive, woodworking or other equipment intensive projects? Even if yours simply houses the family car, make sure it includes the latest electrical options to meet the needs of today's lifestyle.

Leviton Load Center

Control your home's electrical system with industry-leading safety and smart technology

Electric Vehicle Charger

Easy, compact and affordable charging right from your garage

GFCI w/Audible Alert

Alarm will sound if GFCI trips

MEDIA ROOM

Family fun, Leviton style

Whether it's family movie night or a video game tournament, you can count on Leviton to make your media room top notch. We can help you create the perfect lighting – you don't even have to get up from your seat. Plus, we have everything you need to help safeguard all your sensitive electronics from dangerous power surges or lightning strikes.

Smart Dimmer

Set light level for any activity via app. Available in six colors, including popular gray.

Smart Anywhere Dimmer Companion

Add an additional dimmer anywhere in the room - no wiring required (requires primary smart dimmer)

Smart Scene Controller Switch w/Custom Engraved Buttons

Use app to create custom lighting scenes for movie night, game night and more!

Surge Circuit Breaker

Protect every electronic device in the house, no surge strips needed

BASEMENT

A comfortable, more efficient basement

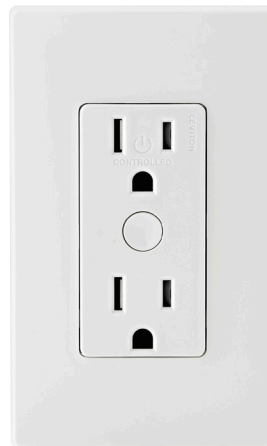

What makes a great basement? We think it's a combination of usability and practicality ranging from entertainment and play areas to storage, plumbing and heating. Multiple use space requires various types of electrical devices to help keep everything operating safely and smoothly.

GFCI w/Audible Alert
Alarm will sound if GFCI trips

Smart Motion Sensing Dimmer
Sensor turns lights on when you enter and off when you leave. Pause sensor activity with "motion snooze"

Smart Tamper-Resistant Outlet
Turn ON/OFF lamps and equipment using voice or app

Dual Fan/Light Control
Two functions in one device. Set the light level and ceiling fan speed for any activity

OUTDOORS

Decks, patios, pools and more

The outside of your home is an extension of your living space. Whether you're working on landscaping, enjoying a day by your pool, or hosting a family BBQ, the importance of outdoor electrical safety must never be overlooked. With the right protection in place, you and your guests can gather and enjoy the outdoors worry-free.

Weather-Resistant GFCI Outlet

Designed for use in wet and damp locations

Smart Switch

Use app to schedule porch and patio lights to turn on and off for you

Weather-Resistant USB Outlet

Charge up safely while enjoying the outdoors

Weatherproof Cover

Protect outlets from the elements

APARTMENT LIVING

Big solutions for small spaces

Leviton residential products function just as well in a small space as they do in a large home. Don't let limited space stop you from enjoying all the benefits of dimming lighting, using motion sensors, timing lighting to automatically switch ON/OFF, installing Smart devices (plug-ins are perfect), and so much more. Plus, our outdoor solutions are ideal for balconies and patios!

AFCI Outlet
 Help protect your family from electrical fires

USB Type-C® Outlet
 Fast, powerful charging keeps you connected

Smart Anywhere Switch Companion
 Control lamps, fans, switches and more - no new wiring required. (Must be used with primary Smart device)

Smart Plug-in Switch
 Simplify lighting and electronics
